

We're going on a field trip to

# Tubbs' Berry Farm!

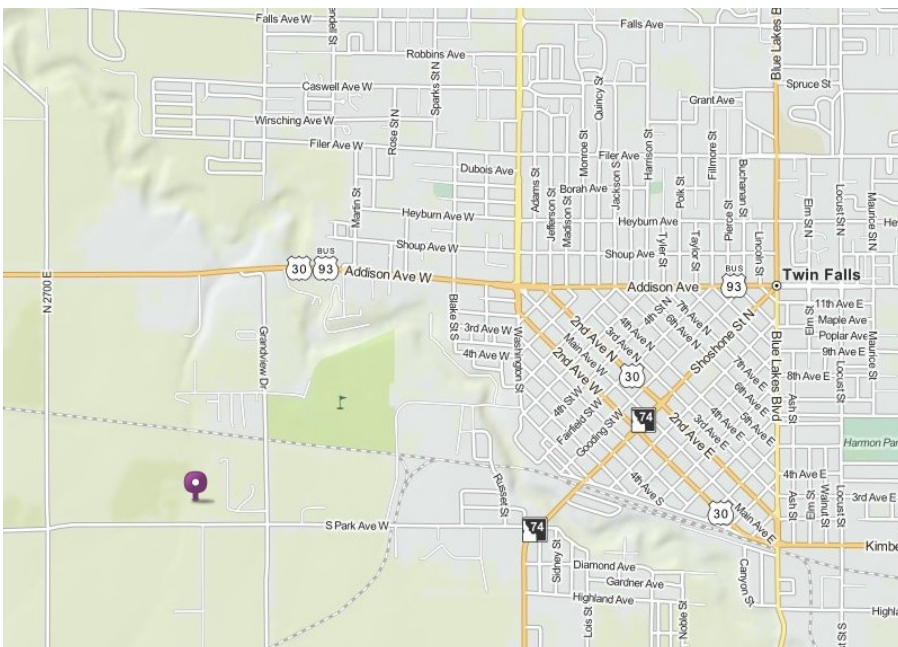

We will be going on a hayride, picking a pumpkin, and playing in the straw mazes!

There are also straw slides, a petting zoo, and a farm playground with lots of fun activities. We will also learn a little about honeybees and how plants grow! We will be outside on the farm so please make sure I am wearing clothes that can get dirty and will let me run and play! Fall can get cold so watch the weather and make sure I have a coat, gloves and a hat if I might need them!
